LEED For Existing Buildings

Presenter will be Jim Coates, LEED AP

Sponsored by Local 399

The LEED for Existing Buildings Rating System (LEED-EB) maximizes operational efficiency while minimizing environmental impacts. It gives building owners and operators an effective benchmark and verification system for measuring upgrades, improvements and maintenance over the life of a building.

Seminar Date :

Tuesday
September 21st, 2010

Place :

IUOE Local 399 Office and Training Center
2260 S Grove Street
Chicago IL. 60616

Time :
