Dear Sir or Madam:

The Bormet family has lived and worked in Will and Cook Counties in IL for several generations. Pete Bormet is a Local 399 Union member on Chicago's Navy Pier, a dedicated husband of 20 years and the father of two teenaged daughters. Over the years, Pete has formed an impressive network of family, friends, neighbors, and business associates who have supported one another through a variety of situations, both good and bad.

In April this year, Pete was diagnosed with an aggressive and resistant form of lung cancer. The cancer is in stage IV and has metastasized to the spine and caused several vertebral fractures. A team of doctors at Chicago's Northwestern Hospital has mapped a strategy of chemotherapy, radiation and pain management. While some tumors have shrunk, new ones have been detected in the spine, lymph nodes, adrenal glands, pelvis and now the brain. Pete is currently at home receiving support from his family and Hospice.

The Pete Bormet Foundation was established on behalf of the Bormet family. Pete's friends and extended family have combined their efforts to help raise money to meet the mounting costs of treatment, loss in wages and travel expenses. On Sunday, October 26, 2008, a benefit "For Pete Sake Now" will be held at 115 Bourbon Street, 3359 W 115th Street, Merrionette Park, IL from 2:00 till 7:00 pm. In order for the benefit to be a success, we are seeking monetary and merchandise donations for auction and raffle.

In return for your donation, you or your company will be listed in the program booklet which will be distributed the night of the benefit and also posted on the website at www.forpetesakenow.com. The committee is grateful for any help you can offer the Bormet family. Please contact one of our committee members listed below if you have any questions.

Sincerely,

Cash donations can be made online from
