

Attention Local 399 Members:

You may have received a letter in the mail from our third-party vendor **Ullico** advising you of a recent unauthorized breach in their system. Unfortunately, a data processing glitch **on Ullico's part** caused the letters sent to Local 399 members to be addressed correctly, but had the wrong member name.

If you received such a letter, please be advised that the information regarding the data breach IS CORRECT and you should review the information contained carefully. **Ullico** will be resending these letters with the correct name/address, but in the interest of our members who may have questions, we wanted to provide as much clarity as possible regarding the information already received.

If you have questions or concerns, please feel free to contact **Ullico** at (855) 543-5394 or visit **www.ullico.com** or contact Local 399's Health & Welfare Department at (312) 372-9870, Ext. 3000.

Thank you for your understanding as **Ullico** works to resolve this issue. As always, we appreciate your continued support of Local 399!
